

NOTICE

COMMUNITY TENNIS PROGRAM - **REQUEST TO MEMBERS**

We are in the process of improving the Club's **Community Tennis Program**, which provides free training in tennis during week-ends to school students from economically backward families. While corporate sponsorship is being sought for some of the expenditures, being incurred, we request support from individual members to help in the following areas:

1. Supply of used tennis racquets in reasonably good condition, for replacement of old racquets.
2. Financial support to meet cost of breakfast / refreshments given to the trainees. The Club currently spends approximate Rs.1,000/- per day for 2-days-a-week on this account.

Those members who wish to contribute to either of the above may please contact Mr Lakshmanan "or" Mr Thankachan at the Club Office.
